SUPPLEMENTAL COMMUNICATION

Dear Sir:

The present communication supplements the Notice of Appeal filed with certificate of mailing on January 18, 2005. It is noted that said Notice of Appeal constitutes a proper response to the outstanding rejections of claims 1-10 and 12-22 inasmuch as one or more of applicants' claims have been "twice rejected." For example, claim 1 of the present application is identical to claim 16 of the parent application and hence the same claim was rejected twice. See M.P.E.P. 1205.

The official action of July 23, 2004 also required that the applicants expressly affirm the election of claims 1-10 and 12-22 for prosecution in the present application. Such election is hereby expressly affirmed. Non-elected claim 11 has not been canceled at this time but has been retained in the application pending disposition of the claim from which it depends.

Application No.: 10/736,428

Docket No.: CBR 3.0-017 CONT

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: January 19, 2005

Respectfully submitted,

By
